

Hello all Bartlett Lake Triathlon and Duathlon race entrants,

This morning I had to make a decision for safety sake. After seeing the flooded roads not allowing some entrants to show up, all of the debris on the road, and what appeared to be non-stop lightning with no end in sight I had to cancel the race. In the early morning the storm wind were so strong it took one of my buoys with four anchors attached to it almost one half a mile of south of its original location. In eighteen years putting on an average of fifteen races a year this was only my second cancellation. Some of you who bravely made it to the site I really have to apologize to, however there is no cell service at Bartlett Lake and no way to send out an email to all of you.

Because I want to do what I feel is fair to all of you loyal Tri-Family Racing customers I decided to allow all of you the opportunity to participate in any one of my four remaining races of the 2018 race season for \$25 for the remaining pool swim races and \$40 for the Lake Pleasant race. To receive this very special offer you MUST mail in a NEW paper entry that can be downloaded from <http://www.trifamilyracing.com> and mailed to the address on the form along with a \$25 of \$40 check. All entries MUST be mailed in (no scanned forms) and post marked no later than October 31, 2018 or sooner. The remaining races are listed below. To even further help all of you fantastic tri-family racing entrants you may pick any of the many races listed below and if you prefer the most expensive race that is entirely your option. If you have a friend or family member that also want to do the race we will allow a onetime \$15 discount for them as well as long as it is mailed with your new entry form.

Example one: The October Seville race has three different Triathlons, a Mini Triathlon, a Maxi Triathlon, or the Maxi Tri PLUS Triathlon; the Maxi Triathlon is \$16 more than the Mini Triathlon. You may pick the race you want for \$25 regardless of the difference in cost. This is the same for all of the pool swim Triathlons you see listed below.

Example two: The lake Pleasant race also has three Triathlons; they are the Sprint Triathlon, the Sprint Triathlon Plus and the Olympic Triathlon. You may enter any of these races for \$40 despite there being a \$20 difference for the Sprint Triathlon and the Olympic Triathlon.
